Compass House Coronavirus in Numbers

We remain open throughout the Covid-19 Pandemic, and also provided additional support to our Patients by opening over the Bank Holiday weekends.
For our most vulnerable shielded patients, we set up a drive through service to ensure they could continue to receive treatment safely and then we set up a separate shielded site for them at Galmpton.

During period of 1st March to 31st August 2020 we have provided:

237,770

Telephone consultations carried out by GP's & ANP's

4463

Telephone consultations carried out by the Nursing Team

3973

Face-to-face patient reviews for non-Covid related symptoms

12,430

Face-to-face Nursing Team Appointments

226,007

Prescription items issued

1461

eConsults received and processed

19
