This is an NHS Talking Therapies Service workshop. Your details are retained on our secure electronic system, which is treated with the utmost confidentiality to safeguard your privacy and comply with NHS governance requirements. Rest assured that your patient data will be handled responsibly and in accordance with all applicable data protection laws.

Please be aware that your information will only be shared with relevant healthcare professionals and personnel involved in the workshop, and solely for the purpose of ensuring your safety and well-being during the event. In the unlikely event of any safety concerns arising, we may need to contact your GP or other emergency services to provide necessary support. However, you will be promptly informed should this need arise.

As part of our commitment to continual improvement, we routinely collect and forward statistical data and feedback to the Department of Health. Please note that this information will be used solely for general statistical purposes and reporting, and no identifiable details will be disclosed.

If you have any questions or concerns regarding the handling of your data or any aspect of the workshop, please do not hesitate to contact us at 0300 555 3344. Your peace of mind and satisfaction are of paramount importance to us.

By submitting this form, you are providing your explicit consent to the above data collection and handling practices.
