LET THE PRACTICE KNOW YOUR VIEWS

Compass House Medical Centers is always looking for ways to improve the services it offers to Patients. To do this effectively, the Practice needs to know what you think about the services you receive.

Tell us what we do best, where we don't meet your expectations, plus any ideas and suggestions you may have. Only by listening to you can the Practice continue to build and improve upon the service it offers.

PRACTICE COMPLAINTS PROCEDURE

If you have a complaint or concern about the service you have received from any member of staff working in this Practice, please let us know. The Practice operates a Complaint Procedure as part of the NHS system for dealing with complaints. Our complaints system meets national criteria.

NOTE: If you make a complaint, it is Practice Policy to ensure you are not discriminated against or subjected to any negative effect on your care, treatment, or support.

HOW TO COMPLAIN

We hope that most problems can be sorted out easily and quickly, often at the time they arise and with the person concerned. If your problem cannot be sorted out in this way and you wish to make complaint, we would like you to let us know *as soon as possible*, ideally within a matter of days or at most weeks. This will enable us to establish what happened more easily. If it is not possible to do that, please let us have details of your complaint:

- Within 12 months of the incident that caused the problem

OR

- Within 12 months from when the complaint comes to your notice.

Complaints should be addressed to the Care Coordinator Manager, or any of the Doctors. The Care Coordinator Manager will explain the complaint procedure to you and will make sure that your concerns are dealt with promptly. It would be a great help if you could be as specific as possible about your complaint.

WHAT WE SHALL DO

- We shall acknowledge your complaint within 3 working days and aim to have looked into your complaint with 28 days. We shall then be in a position to offer you an explanation or a meeting with the people involved. When we look into your complaint we shall aim to:
- Find out what happened and what went wrong.
- Make it possible for you to discuss the problem with those concerned, if you would like this.
- Make sure you receive an apology, where this is appropriate.
- Identify what we can do to make sure the problem doesn't happen again.

COMPLAINING ON BEHALF OF SOMEONE ELSE

Please note that Compass House Medical Centers keeps strictly to the rules of medical confidentiality.

If you are complaining on behalf of someone else, the Practice needs to know that you have their permission to do so. A note signed by the person concerned will be required, unless they are incapable of providing this due to illness or disability.
